

Hampton & Kempton Waterworks Railway (HKWR) Charity No. 1155913

Cheque Donation & Gift Aid Declaration Form

Our volunteers want to restore and preserve our early 20th century industrial narrow-gauge heritage railway before it is lost forever. We have already begun this vital restoration, but we need more funds to continue. Our vision is to also construct a visitor and education centre which is very significant, given that the railway is situated in a densely populated part of West London.

Help us to realise our vision! Our volunteers would greatly appreciate any donation that you are able to make.

Thank you.
